SKILLED TECHNICIANS...  
PRECISE MEASUREMENTS

**WHY CALL JOHNSON POWER?**

-  Extended warranty available
-  Emergency turnaround service
-  Technical expertise
-  Reduce downtime
-  Save money by rebuilding
-  Large inventory of parts and spares
-  Free estimates

WE CAN TURN THIS...

INTO THIS!

**WHY REBUILD INSTEAD OF REPLACING?**

We can rebuild a driveshaft for about half the cost of a new one... with a quick turnaround time. Our expert failure analysis enables us to recommend solutions to your driveline problem.

It takes special equipment and technical know-how to do the job right. Let the experts at Johnson Power do it for you.

Call our Rebuild Hotline  
**708-345-4300**

Yes, please send me more information on the following:

- Johnson Power Ltd. catalog or company information
- Johnson's Extended Warranty
- I'd like a representative to call and schedule an appointment
